WELCOME!

In an effort to streamline our operations and improve customer service, the City of Edgewater has implemented an Interactive Voice Response (IVR) system and web solution.

We encourage you to use the IVR system and webpage to fulfill many of your permitting and inspection needs. You can use the system 24 hours a day, 7 days a week, 365 days a year to accomplish many tasks:

- Schedule an inspection
- Reschedule an inspection
- Cancel an inspection
- Obtain inspection results

You can access the Permitting Inspection Line by phone or online via

WHAT YOU'LL NEED

- A touch-tone phone
- A site-specific **permit number**
- The **inspection code** for the type of inspection

The system will prompt you each step of the way. You may perform multiple actions during each call. At the end of the call you will be issued a confirmation number. We recommend that you keep a record of all of your confirmation numbers and associated transactions in case they are needed in the future.

HOW IT WORKS

The City of Edgewater's Permitting Inspection Line is available 24/7, and live representatives can be reached:

Monday through Friday
8:00am - 4:30pm

Once you're connected to the system, choose one of these options:

Press [1]
Schedule an inspection

Press [2]
Cancel or Reschedule an inspection

Press [3]
